SUBJECT: Intermittent Delays at Chickamauga Lock, Tennessee River Mile 471.0

Between 5 June and 13 June 2009, navigation traffic could experience increased delays for lockages at Chickamauga Lock. Delays will be attributed to an increase in recreational traffic associated with the Annual Chattanooga Riverbend Festival.

In addition to the delays at Chickamauga Lock, the US Coast Guard is expected to issue a river closure for the area around Tennessee River Miles 463.5 to 464.5, for the period of 9pm to midnight on 13 June 2009. The intent of the closure is to establish a safe stand-off distance for a scheduled fireworks display.

For information regarding conditions at Chickamauga Lock, please contact the Lockmaster by telephone at 423-875-6230.

FOR THE DISTRICT ENGINEER:

JEFFREY D. ROSS
Chief, Navigation Branch
Operations Division
